## 5. Transportation Control during COVID-19 Pandemic \_ updated on 05/07

- According to the addendum of Circular Letter No. 8 of the Head of COVID-19 Task Force No. 8 (2021), some changes in the international travel guidance in Indonesia are as follows:
  - All Indonesian and foreign nationals (WNI and WNA) who are travelling internationally must do the RT-PCR test upon arrival to Indonesia and be in quarantine for 8 days (8x24 hours).
  - All Indonesian and foreign nationals (WNI and WNA) who are travelling to Indonesia must show their complete/ full dose of vaccination certificate (soft/ hard copy) as a mandatory requirement to enter Indonesia.
  - For Indonesian nationals who haven't successfully obtained their complete vaccination doses will be vaccinated in the quarantine venue in Indonesia after getting a negative result on their RT-PCR test on the 7th day.
  - For foreign nationals who are already in Indonesian soil and intend to do domestic/ international travels are obliged to be vaccinated through the Government-led or Gotong Royong vaccination programme.

#### **Exemptions:**

- Mandatory quarantine **is exempted** for foreign nationals with diplomatic and official visas who are visiting for the purpose of state/official visits of foreign officials at Ministerial level or above to the Republic of Indonesia, with the implementation of strict health protocol.
- The requirement to show COVID-19 vaccination card or certificate (in physical form or digital form) **is exempted** for foreign nationals who are holders of diplomatic and service visa and are part of a foreign official/state visit on ministerial level and higher rank and foreign nationals entering Indonesia under the Travel Corridor Arrangement scheme, by upholding principles of reciprocity and implementing strict health protocols.

## 3. BCC COVID-19 Impact Survey \_updated on 18/02

Results from the latest BCC survey on the impact of Coronavirus on businesses show they have been pushed to the brink by the effect of multiple lockdowns. Among the sobering findings from the survey of more than 1,100 businesses are:

- Three in every five firms (61%) have seen their revenue from UK customers fall in the last three months
- Almost a third (31%) of business-to-consumer (B2C) firms say they will run out of cash in the next three months
- A quarter of survey respondents (25%) say they will make staff redundant if financial support stops in March and April.

The leading business group has called on the UK government to set out a clear roadmap for reopening, advancing vaccination and workplace testing plans, and extending key financial support measures for businesses throughout 2021. [[Full details](#)]
